“ I recall with happiness many memories of Lenora. She was a senior when I was a freshman and as one of the boys in high school, we all gathered at the door way into Venice High School hoping to see her as she walked into school. She was our Lana Turner, so to speak. And, she lit the crowd up when she wore those marvelous Lana Turner sweaters. She was just beautiful. The last time I spoke with Lenora was, I think, in 2006 at a Venice Reunion. It was wonderful to get another chance to speak with her of the old days back in high school. She has great beauty, good humor, like silk in a social setting and got along with everyone. God Bless her soul.

“ I am so sad to see this I had the pleasure of doing Lenoras hair for the last few years. She always had a smile on her face and was always making new friends but really enjoyed her talks with “Peanut”. She will be truly missed and I will be praying for you all. May she Rest In Peace.
