“ Margee was truly one of a kind. Just the sweetest soul ever! When my family moved to Alton, Margee walked across the street to welcome us to the neighborhood, and a friendship started. She watched my two sons after school and introduced the now famous "grilled" peanut butter and jelly sandwich. My sons still enjoy that today! She always had a smile and a laugh to brighten a bad day, a truly sweet person. Fly high dear friend.

“ I am going to miss Margee so much. We were good friends for 19 years. We worked at Challenge together and had so much fun while we worked. I am going to miss our shopping trips together and going out to IHOP to eat, which was her favorite place to eat. I am going to miss our phone calls that we made to each other several times a week. Margee was so much fun and we were constantly laughing when we were together. My life has been blessed with knowing her and my days are going to be pretty lonely without my good friend. Thanks for the memories we made together. Rest In Peace my friend. Love you.
